

The background image is an abstract architectural interior. It features sharp, angular white surfaces that create a sense of depth and volume. Dramatic lighting is used, with bright highlights on the edges of the structures and deep shadows elsewhere. A long, narrow, dark rectangular object, possibly a piece of furniture or a light fixture, is visible in the lower right quadrant. The overall mood is modern and sophisticated.

## Design and concept

If you want to build a ship, then do not gather men to collect wood, hand out duties and dispose the work, but rather teach them the desire of the wide, endless sea!

Antoine de Saint-Exupéry
